1. **Status:** Receipt is acknowledged of papers submitted on 12-19-2005, under RCE to review IDS, which have been placed of record in the file. Claims 1-20 are pending.
2. The information disclosure statement (IDS) submitted on 12-19-2005 was filed with RCE. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement has been considered by the examiner.

Allowable Subject Matter

3. Claims 1-20 are allowed.
4. The following is an examiner's statement of reasons for allowance:

The cited references on PTO 892s and PTO 1449's fail to anticipate individually and render obviousness individually or in combination as follows:

the projection display apparatus having a communication interface controlled by a controller with an external device communicating to projection display device via the I/O ports has a storage section and controlling portion a controlling section configured to, in response to an initialization signal input through the first communication port, and the second communication port adapted to be connected to an additional projection display apparatus a controlling section configured to, in response to an initialization signal input through the first communication port, store ID information in the storage section regarding an identity of the projection display apparatus based on the initialization signal, update the initialization signal into the storage section, according to a predetermined rule and transmit updated initialization signal through the
